GenZora

AI-Generated Content Platform

GENZORA

GOALS

- Generate short videos using state-of-the-art models 🔥
- Simplify access to AI-generated media without needing compute resources 🧠
- Introduce on-chain payment gating (via Zora Coin) for content downloads 🔐
- Support Farcaster-native users and crypto creators 🌍

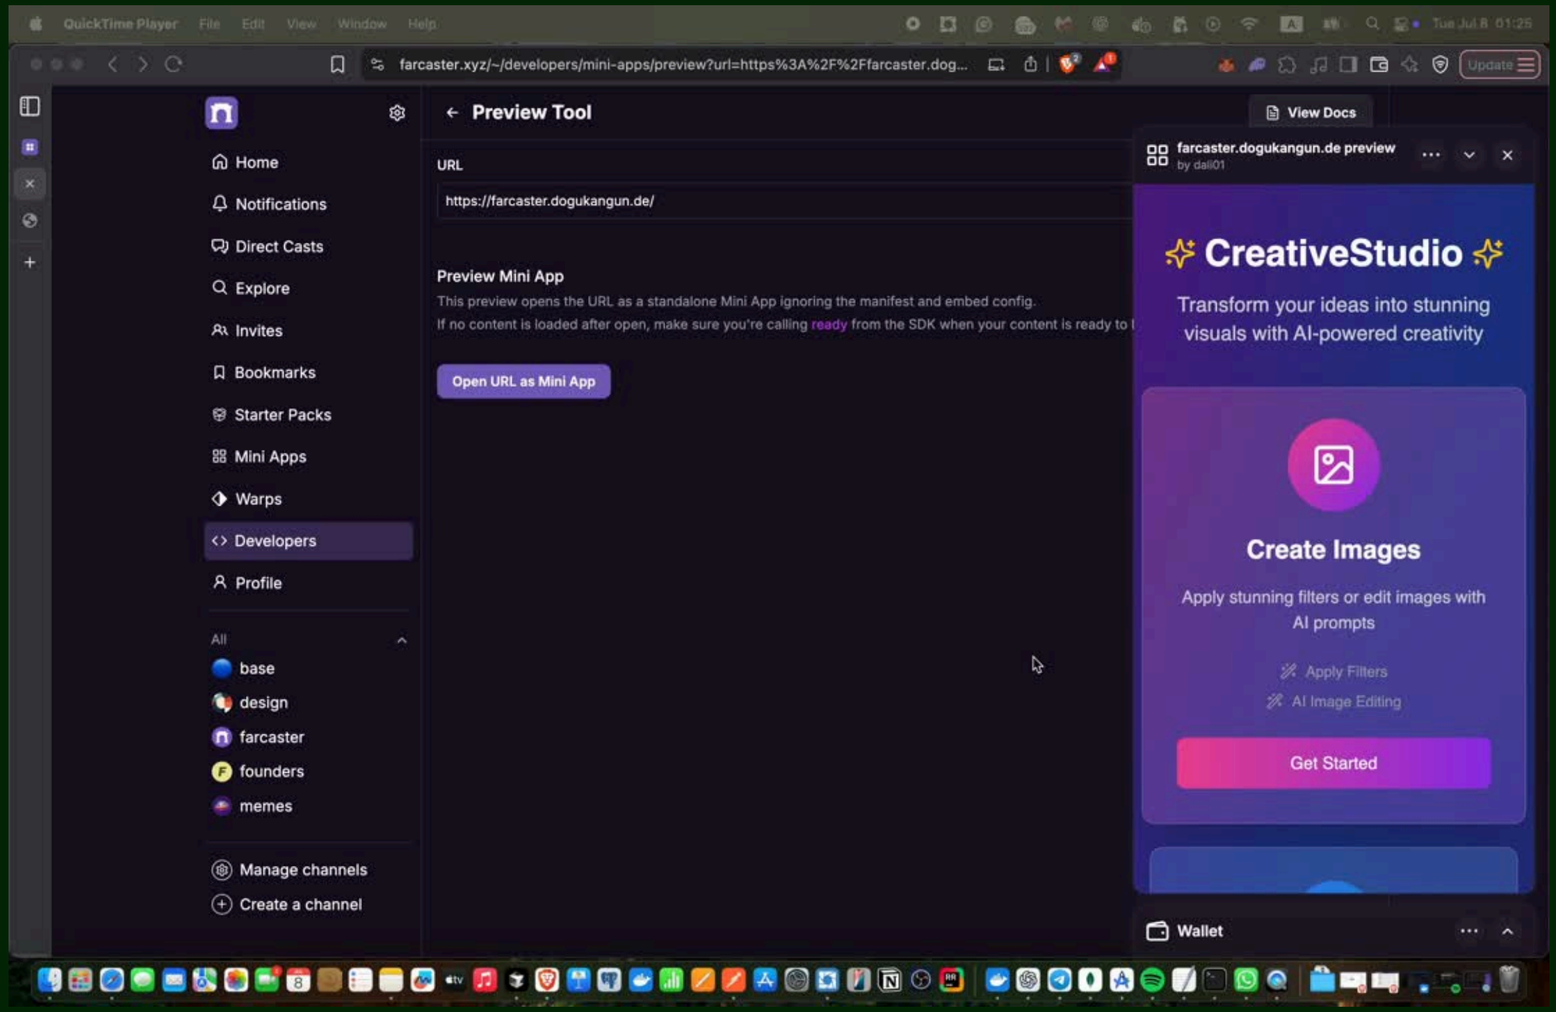
GENZORA

UNIQUENESS

- Inference-powered text-to-video with models
- Directly usable, no GPU needed for end users
- Integrates Zora Coin & Farcaster
- Protected content
- Preview enabled

GENZORA

DEMO



GENZORA

FUTURE ROADMAP

- Enabling more Models
- Utilizing grant to serve models on better cloud servers ⚙️
- Buy Coffee via Zora Coins for the content creators
